Note on data protection
The submission of this self-attestation to the enterprise providing the accommodation is voluntary and serves exclusively the purpose of establishing the liability for the tax. The collected data will be forwarded in individual cases upon request to the Hansestadt Wismar, which reserves the right to review the statement made therein.
If this procedure should not be agreed with, the Occupancy Tax will be levied as a general rule, inasmuch as the professional or company reason for the overnight stay(s) essential is not asserted plausibly in any other way. One does have the possibility, however, of subsequently applying for the refunding of any retained Occupancy Tax to the Hansestadt Wismar, thereby presenting the appropriate proofs.
Upon issuing this confirmation, the signatory consents to the processing and usage of the data as mentioned above.

Further notes
In the event of an incorrect or falsified confirmation, the guest may be held liable for the unpaid tax. The issuing of an incorrect confirmation may be pursued as an administrative or criminal offence.
